

Click on "District Plan Portal" on the District Plan page to begin. Read and agree to the terms and conditions to access the District Plan Portal.

Here you can access District Plan Home, Property Rules, District Plan Text (Operative District Plan or Proposed District Plan) or the Planning Maps using the tabs on the home page.

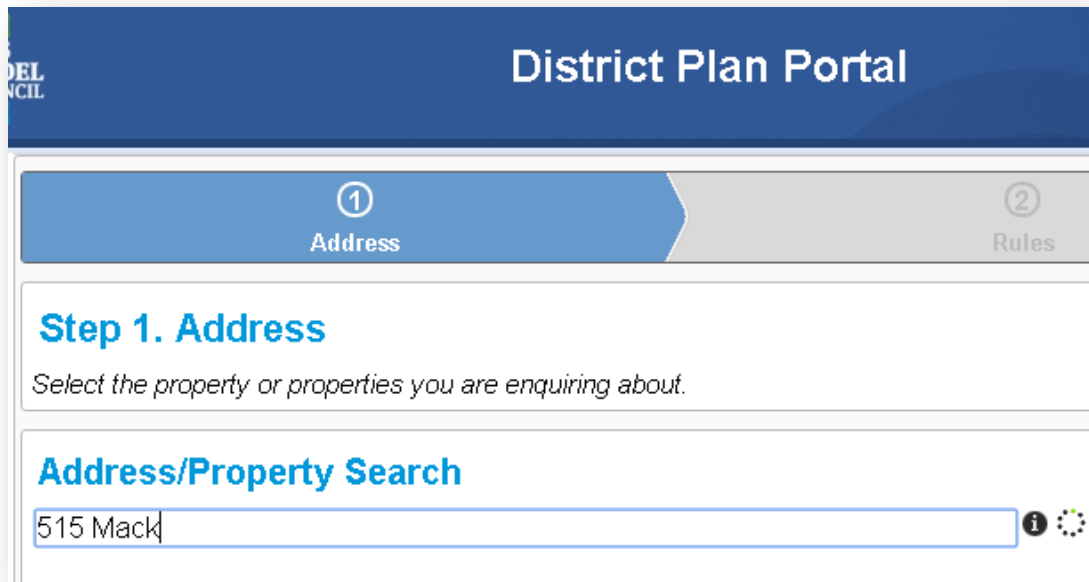

Or you can make an enquiry either by using a property address (Property Enquiry) or a Zone or Overlay (Zone Enquiry). A Step by Step guide is available on the next few pages.

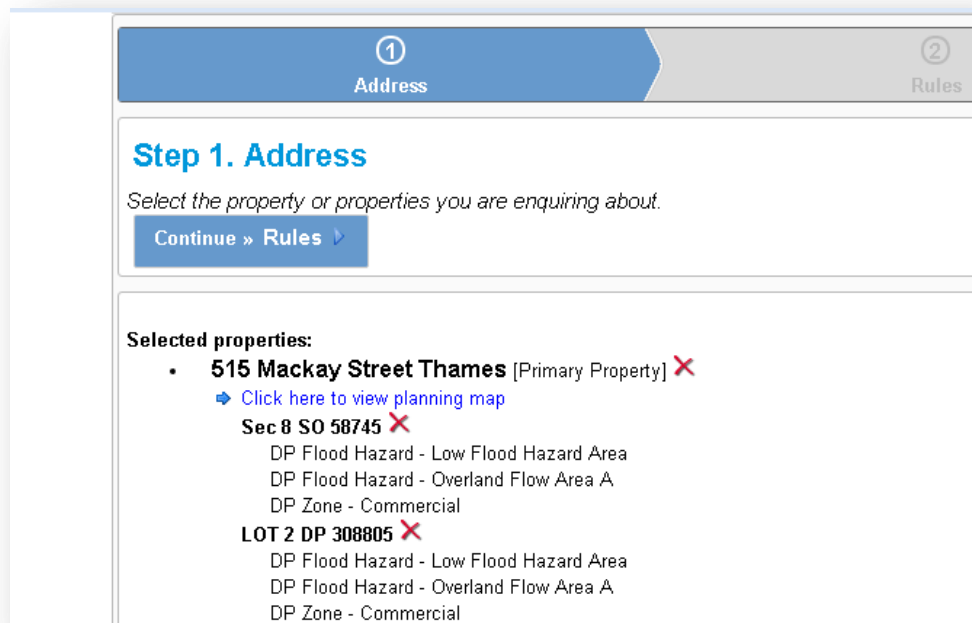

Property Enquiry

NOTE: This enquiry will produce the rules from the Proposed District Plan. If the rules are in **RED** text, you will also need to consult the Operative District Plan, as these rules are under Appeal. Please contact Customer Service 07 868 0200 for further information.

Start by entering the property address and select the correct address from the drop down list.

Check your address using the information provided or by clicking the link to view the planning map. Next, click on "Rules" to show the District Plan provisions that apply to the selected property.

This page shows the sections of the Proposed District Plan that apply to the selected property. An image of the property showing the zone layer will also display in the map window on the same page.
