Understanding FPP

When you vote in an FFP election, you tick the name of the candidates(s) you most prefer, up to the number of vacancies.

If there is one vacancy, you can vote for one candidate.

If there are three vacancies, you can vote for up to three candidates.
Candidate eligibility

- a New Zealand citizen; and
- a parliamentary elector (anywhere in New Zealand); [Section 25, Local Electoral Act 2001]
- nominated by two electors whose names appear on the electoral roll for the region or district or subdivision of the district.

Candidate restrictions

Restrictions on a candidate for the Thames-Coromandel District Council are:

- a candidate may seek nomination for mayor, council and community board but cannot also seek nomination for the Waikato Regional Council i.e. a candidate may stand for Thames-Coromandel District Council or the Waikato Regional Council, but not both. [Section 58 Local Electoral Act 2001].
- a candidate may seek nomination for one ward only (not multiple wards).
- a candidate for mayor, council or community board (or candidate’s spouse) cannot be a person concerned or interested in contracts over $25,000 with the Thames-Coromandel District Council [Section 3(1) Local Authorities (Members’ Interests) Act 1968]. [Section 41(5) Local Government Act 2002].
- a person cannot be an elected member if that person has a permanent court order, or that person will be suspended if that person has a temporary order.
About the Thames-Coromandel District Council roles

**Key message**

This section of the document briefly explains:

- the council’s governance roles;
- typical workloads for elected members;
- when members take office; and
- some of the rules that all elected members work within.

**Role of the council**

When the term ‘council’ is used people are either referring to the whole organisation or to the mayor and eight councillors. In their role at council and committee meetings, the mayor and councillors make decisions that are in the best interests of the whole district that meet the current and future needs of all its communities. In acting as the Thames-Coromandel District Council, the mayor and councillors have the following roles:

- formulating the council’s strategic direction and relative priorities through the long term plan process, and determining the services to be delivered and the projects required to support those services and the council’s strategic direction over the next ten years;
- determining the expenditure and funding requirements of council services through the long term plan and annual planning processes;
- overseeing the development and approving council policies;
- monitoring the ongoing performance of the council against stated objectives and policies (including formal sign-off of the annual report);
- law-making (through making bylaws);
- overseeing council compliance with any relevant Acts of Parliament;
- representing the interests of the district; and
- employing, setting performance requirements for, and monitoring the ongoing performance of the council’s chief executive (under the Local Government Act the local authority employs the chief executive, who in turn employs all other staff on its behalf).

The council can only act by majority decisions made at meetings. Individual members (including the mayor) have no authority to act on behalf of the council unless provided for by statute or the council has expressly delegated that specific authority.

**Role of the mayor**

The mayor is elected by all the electors within the district. As one of the elected members, the mayor shares the same responsibilities as the councillors. The mayor also has the following roles:

- presiding at council meetings ensuring the orderly conduct of business during meetings;
- advocating on behalf of the community which involves the promotion of the community and representation of its interests. Such advocacy will be most effective where it is carried out with the knowledge and support of the council;
- spokesperson for the council;
- ceremonial head of the council;
- providing leadership and feedback to other elected members on teamwork and chairing of committees; and
- fulfilling the responsibilities of a Justice of the Peace (while the mayor holds office).

The mayor also has the following powers:

- to appoint the deputy mayor;
- to establish committees of the council;
- to appoint the chairperson of each council committee;
- to lead the development of the territorial authority’s plans (including the long-term plan and the annual plan), policies, and budgets for consideration by the members of the territorial authority.
Role of the deputy mayor

The deputy mayor can be appointed by the mayor, or if the mayor declines to exercise that power, the council can elect the deputy mayor at the first meeting of council. If the mayor is absent or incapacitated or if the office of mayor is vacant, the deputy mayor must perform all of the mayor’s responsibilities and duties and may exercise the powers of the mayor.

Role of chairperson

A community board or committee chairperson is responsible for presiding over meetings of the community board or committee, ensuring that the members act within meeting rules and within the responsibilities delegated by council. At the current time the community board chairpersons attend council meetings and are given speaking rights to convey feedback on behalf of the community board that reflects the impact of council decisions on their local communities.

Role of councillors

Once elected, at the inaugural meeting, councillors will make a formal declaration that they will perform their duties faithfully and impartially, and according to their best skill and judgment in the best interests of the district. So while they are elected from a particular ward they act on behalf of the whole district once elected. The council may appoint councillors to the community boards within the ward they were elected from. When councillors are appointed back to the community boards they hold two roles. At community board meetings they act in the interest of the community board area and when considering that recommendation at the council meeting they act in the interest of the district.

Councillors are also appointed to the council’s committees.

Role of community board members

The entire Thames-Coromandel district is represented by one of five community boards. They are Coromandel-Colville, Mercury Bay, Tairua-Pauanui, Thames and Whangamata. Community boards were established in 1989 as part of the last major amalgamation of local government. Since then the names have been changed through subsequent representation reviews.

The Local Government Act describes the role of community boards as:

- represent and act as an advocate for the interests of their community;
- consider and report on any matter referred to it by the council and any issues of interest or concern to the community board;
- make an annual submission to council on expenditure in the community;
- maintain an overview of services provided by the council within the community;
- communicate with community organisations and special interest groups in the community;
- undertake any other responsibilities delegated by council.

The council’s current delegations to community boards include the following responsibilities: community boards are responsible for the work programmes within the approved council budgets for the following activities and sub-activities:

- harbour facilities;
- community centres and halls;
- airfields;
- public conveniences;
- community grants;
- local roading;
- parks and reserves;
- libraries;
- swimming pools;
- cemeteries;
• local strategic planning;
• local economic development.

Assisting the organisation with consultation with local residents, ratepayers, Iwi, community groups and other stakeholders on local issues including input to the long term plan and annual plan.

Approving annual expenditure from a discretionary fund ($20,000 per community board area).

Making recommendations to council on leases, licenses or concessions associated with all council owned property included within the locally funded activities of the community board area, excluding council administration land and buildings.

Recommending project business cases for all local activities for council approval.

Recommending to council the level of bylaw service and enforcement to be provided within the community, having regard to the need to maintain consistency across the district.

Recommending to council the initiation of an appeal or reference to the Environment Court on decisions on which the board has made submissions.

**Committees**

Council reviews its committee structures after each triennial election. Committees may be standing committees (generally appointed for the term of council), special/project committees (have a finite timeline) or joint committees (usually with another council).

Council currently has the following standing committees:

• Infrastructure Committee;
• Regulatory Committee;
• Audit and Risk Committee;
• Chief Executive Liaison Committee;
• District Licensing Committee.

**Workloads**

The first term for any new elected member is a steep learning curve. It involves learning more about the council’s services, the legislation that governs the council, gaining an appreciation of the planning processes and the meeting procedures, getting to know your colleagues and dealing with the media and public.

The amount of time that each elected member devotes to council or community board affairs is personal and depends on their own particular circumstances. However, candidates should not underestimate the demands that will be made on their time if elected. The demands of elected office have grown over the years to the point where it can be difficult for committee chairs and community board chairs to hold a full-time job, or continue to devote a full working week to a business or professional practice.

The normal duties of elected members, as established by practice and custom include:

• attending and participating in meetings;
• reading agendas and other material before meetings;
• attending to enquiries/feedback from members of the public;
• attending or hosting functions;
• participating in any relevant consultative/engagement processes with the community;
• representing the council or community board on related organisations, where appointed;
• attending and participating in training, conferences and seminars.

Meetings and workshops for the council, its committees and the community boards are held during the daytime on a six week cycle with additional workshops and meetings scheduled as required. In many cases these scheduled meetings and workshops are framed into a half day or a whole day.
Many mayors find that the commitment is full-time. The amount of time per week varies depending on the number of formal meetings scheduled and the extent that each mayor is involved in representing the council in community matters. As the main council office is situated in Thames, much of the mayor’s time is spent in Thames. Video-conferencing facilities around the peninsula are currently being expanded but at this stage the council cannot hold remote meetings.

The deputy mayor, committee chairs and community board chairs typically would work between 20-30 hours each week, with some lighter weeks. Councillors work upward of 20 hours per week and for community board members it is estimated at 10-15 hours per week. Elected members are expected to be accessible to all members of their communities and should expect to spend a lot of time meeting with local organisations, such as neighbourhood associations and business organisations.

**Expectations on communications**

Council meeting information is made available to elected members electronically. For the past term we have utilised a website specifically for elected members to distribute council information. Emails and electronic calendar invites are already utilised for administration efficiencies and the council’s main public website www.tcdc.govt.nz is instrumental in disseminating news items and holds a wealth of council information.

Elected members provide their own electronic device and will receive a contribution towards the cost of the device and its operation through a communication allowance. Laptops, ipads or tablets are all considered suitable devices to read agendas and follow proceedings during meetings. A smart phone will enable elected members to receive emails, news alerts and scheduling changes while being mobile.

The minimum specifications for the electronic devices are:

- Android devices (phones, tablets & laptops)
  - operating system minimum of 4.4 plus;
  - minimum memory - 32GB;
  - Chrome Browser.

- Windows tablets

**Taking office**

All candidates at a triennial election who are declared to be elected come into office on the day after the day on which the candidate is declared to be elected. However, no person is permitted to act as a member before making a declaration. The declarations are made at the inaugural meeting to be held in late October.

**Induction**

An induction programme will be delivered to all elected members following the election. This will likely involve some full and half-day forums with bus tours of the district over October - December 2019. The induction programme will include briefings on the council services, the governance structure, meeting procedures, the Code of Conduct and its complaints process, confidentiality, media training, managing conflicts, key council policies and local government legislation and the current annual plan.
About local government

Local government has to follow certain rules and this includes elected members working in a way that meets certain standards.

Councils are body corporates constituted under the Local Government Act 2002. The council gets its authority from the various laws made by Parliament. The principal Acts under which the council operates are the:

- Local Government (Rating) Act 2002;
- Local Authorities (Members’ Interests) Act 1968;
- Local Government Official Information and Meetings Act 1987;
- Local Electoral Act 2001;
- Building Act 2004;
- Resource Management Act 1991;
- Land Transport Act 1998; and
- Health Act 1956.

It has been estimated that councils are bound by at least 120 different pieces of legislation.

Elected members have specific obligations that are covered by the following legislation:

- Schedule 7 of the Local Government Act 2002, which includes obligations to act as a good employer in respect of the chief executive and to abide by the current code of conduct and standing orders (meeting procedures);
- the Local Authorities (Members’ Interests) Act 1968 which regulates the conduct of elected members in situations where there is, or could be, a conflict of interest between their duties as an elected member and their financial interests (either direct or indirect);
- the Secret Commissions Act 1910, which prohibits elected members from accepting gifts or rewards which could be seen to sway them to perform their duties in a particular way; and
- the Crimes Act 1961 regarding the acceptance of gifts for acting in a certain way and the use of official information for private profit.

The Local Government Act sets out the purpose of local government and the role of a local authority.

Section 10 – Purpose of local government:

(1) The purpose of local government is -

a. to enable democratic local decision-making and action by, and on behalf of, communities; and

b. to meet the current and future needs of communities for good-quality local infrastructure, local public services, and performance of regulatory functions in a way that is most cost-effective for households and businesses.
(2) In this Act, good-quality, in relation to local infrastructure, local public services, and performance of regulatory functions, means infrastructure, services, and performance that are -

a. efficient;

b. effective; and

c. appropriate to present and anticipated future circumstances.

Section 11 – Role of local authority

The role of a local authority is to –

a. give effect, in relation to its district or region, to the purpose of local government stated in section 10; and

b. perform the duties, and exercise the rights, conferred on it by or under this Act and any other enactment.
**Key message**

Elected members are entitled to be paid for the work undertaken. This remuneration is generally by way of a base salary and allowances for such things as mileage and communication expenses.

**Member remuneration**

The Remuneration Authority is a statutory body that establishes remuneration for local government. In 2018 the Remuneration Authority reviewed the remuneration of elected members. A new approach will take effect following the elections and is based on the council making allocations for the councillor salaries from a set pool of funding.

The 2018/19 salaries for the councillors and community board members are provided in the table below as an indication of the salaries paid. The mayor’s salary will continue to be set by the Remuneration Authority and the salary below has been set for post October 2019.

**Resource Consent Hearing Fees**

Meeting fees are paid to elected members who attend resource consent hearings in the role of the council’s resource consent hearings committee.

**Travel time and vehicle mileage expenses**

Where councillors and community board members are required to use their own vehicle on approved council business, they will be paid a vehicle mileage allowance that reflects cost recovery.

The mileage allowance for the first 14,000 kilometres is 76 cents per kilometre and for distances greater than 14,000 kilometres it is 26 cents per kilometre, for a petrol/diesel vehicle; 18 cents per kilometre for a petrol hybrid vehicle and 9 cents per kilometre for an electric vehicle.

Elected members are also entitled to claim a travel time allowance at a rate of $37.50 per hour where travel time exceeds 1 hour in any one daily trip that is council/community board business.

**Mayoral vehicle**

Council currently provides a vehicle to the mayor on the basis of full private use. This attracts a small deduction from the mayor’s salary.

**Communications allowance**

The following annual communications allowance is paid to elected members as a contribution towards expenses relating to a mobile phone, computer or ancillary equipment and/or internet connection.

The allowance is designed to cover the additional costs that elected members meet because of the duties they undertake. It is not designed to fully cover all costs that members may incur.

The council distributes meeting information electronically therefore members are expected to communicate via email and navigate a website-like portal to access agendas and reports.

Remuneration for members of the Waikato Regional Council is available from the Waikato Regional Council electoral officer, Mali Ahipene on (07) 859 0507.

Candidate profile statement

Every candidate may provide the electoral officer with a candidate profile statement with their nomination. This statement must not exceed 150 words and can contain information about the candidate, their qualifications and skills applicable to the position for which they are standing and their policies/intentions if elected to office.

The candidate profile statement must be true and accurate and the electoral officer is not required to verify or investigate any information included in this statement.

The profile may include a recent passport-sized colour photograph.

The candidate profile statement and colour photo are required to be submitted in hardcopy, not electronically (except where information in another language is provided).

Candidate profile statements will be printed in plain text, without formatting ie:

- no bullet points;
- no bold or underlining;
- no italics;
- no quote marks.

These will be included with the voting document sent to each elector by the electoral officer, as well as being placed on the council’s website.

Note that any spelling or grammatical errors will not be corrected, and candidates are therefore reminded to check their candidate profile statement prior to submitting their nomination.

The candidate profile statement may be in English or Māori or both (maximum 150 words in either language) or in any other language (not exceeding 150 words in total). Should all or part of a candidate profile statement be provided in a language other than English or Māori, it is required that this be provided in an electronic graphic file.
If submitting an electronic graphic file containing other languages, the specifications (from the printer) are: all translations must be supplied as a single image. If there is more than one language translated, then these are to be all supplied together in a single image.

The image file to be supplied must meet the following criteria:

- PNG format;
- black and white;
- 600 dpi;
- maximum file size 400kB;
- the image being 1300 pixels high and 2000 pixels wide.

The following contact details are given for a translation company, for those candidates who are unable to prepare the translation image themselves or do not know of anyone to do this for them:

Pacific International Translations (NZ) Ltd
Level 4, City Fitness Building, 203 Queen Street, Auckland 1010.
PO Box 7067, Wellesley Street, Auckland 1141
Phone: 0508 872675
Email: info@pactranz.com
Web: www.pactranz.com

Candidates are also required to submit with their candidate profile statement the following information:

i. whether or not the candidate’s principal place of residence (where the candidate is registered as a parliamentary elector) is/is not in the area (e.g. ward) the candidate is seeking election for [Section 61(2)(ca) Local Electoral Act 2001]; and

ii. each position the candidate is seeking election for (e.g. council and community board) [Section 61(2)(cb) Local Electoral Act 2001].

Section 61 of the Local Electoral Act 2001 states the following:

(1) Every candidate may, provide to the electoral officer a candidate profile statement that complies with subsection (2) and, if applicable, subsection (3).

(2) A candidate profile statement -

a. if -

i. in English or Māori or both, must not exceed 150 words in each of the languages used in the statement;

ii. in a language other than English or Māori, must not exceed 150 words, or the equivalent, if the language uses symbols rather than words (including any translation of those words into another language provided by the candidate); and

b. must be provided to the electoral officer together with the nomination paper and other things referred to in section 55(2)(f); and

c. must be confined to information concerning the candidate (including any group or organisation with which the candidate claims under section 55(4) to be affiliated, or their status as an independent candidate, and the candidate’s contact details), and the candidate’s policies and intentions if elected to office; and

da. must state whether or not the candidate’s principal place of residence, being the address in respect of which the candidate is registered as a parliamentary elector, is in the local government area for which the candidate seeks election (for example, either “My principal place of residence is in the Lambton Ward” or “My principal place of residence is not in the Lambton Ward”); and

e. may include a recent photograph of the candidate alone.

(2A) The information required by subsection (2)(ca) and (cb) does not count for the purposes of the word limit under subsection (2)(a).

(3) If a candidate profile statement is submitted in Māori and English, the information contained in each language must be substantially consistent with the information contained in the other language.
(4) If the electoral officer is not satisfied that a candidate profile statement complies with subsection (2) or, if applicable, subsection (3), the electoral officer must, as soon as practicable, return the statement to the candidate and must—

a. specify the concerns of the electoral officer and the reasons for those concerns; and

b. unless the candidate profile statement does not comply with subsection (2)(b), specify a period, which must not be less than 3 days from the date of return of the statement, during which the candidate may submit an amended candidate profile statement to the electoral officer.

(5) A candidate is to be treated as having failed to provide a candidate profile statement, if subsection (4)(b) applies to the candidate and the candidate—

a. fails to submit an amended candidate profile statement within the period specified in subsection (4)(b); or

b. submits an amended candidate profile statement that, in the opinion of the electoral officer, does not comply with subsection (2) or, if applicable, subsection (3).

(6) An electoral officer -

a. is not required to verify or investigate any information included in a candidate profile statement;

b. may include, in or with any candidate profile statement that is published, displayed, or distributed, any disclaimer concerning the accuracy of the information contained in the statement that the electoral officer considers appropriate;

c. is not liable in respect of -

i. any statement contained in or omitted from the candidate profile statement or the work of a translator prudently selected by the electoral officer; or

ii. the exercise of the powers and functions conferred on the electoral officer by this section.

Completion of nomination paper

Each nomination paper must have the consent of the candidate and be nominated by two electors whose names appear on the electoral roll for the district or subdivision of the district (e.g. if a person wishes to stand for election to a specific ward, then that person must be nominated by two electors from the specific ward).

If a candidate is unable to sign the nomination paper (e.g. absent overseas), a letter of consent signed by the candidate is acceptable to attach to the nomination paper.

If a candidate is commonly known in the community by a slightly different name (e.g. Edward Smith is commonly known as Ted Smith) and has been known by this name for at least the last six months (to the satisfaction of the electoral officer), the commonly known name may appear on the voting document.

Once lodged, a nomination paper is available for public inspection at the electoral office. Candidate details not identified as confidential (e.g. mobile phone number) are made available to the media, placed on websites etc.

Affiliation

The nomination paper provides for a candidate to have an affiliation. An affiliation is described in section 57(3) of the Local Electoral Act 2001 as ‘an endorsement by any organisation or group (whether incorporated or unincorporated).’

Individual candidates, not part of an organisation or group, may wish to nominate their affiliation as ‘Independent’ or leave as blank (if left blank, nothing will show alongside the name on the voting document).

A candidate claiming a specific affiliation must supply with their nomination paper an authority to adopt the affiliation for the organisation or group concerned (i.e. letter of consent to use the affiliation from the organisation or group). This is a safety measure to avoid any illegal adoption of affiliations.
Affiliations that will not be accepted are ones:

- that might cause offence or;
- are likely to confuse or mislead electors or;
- are election slogans rather than the name of an organisation or group.

Should an affiliation be rejected for any of the above reasons, section 57(3) of the Local Electoral Act 2001 sets out a process for the electoral officer and candidate to follow. Should agreement not be reached, no affiliation will appear on voting documents. Affiliations are not able to be ‘pre-registered’ with the electoral officer, before a nomination is lodged.

Completed nomination papers can be lodged at the:

- Council’s Main Office, 515 Mackay Street, Thames;
- Coromandel Service Centre, 355 Kapanga Road, Coromandel;
- Mercury Bay Service Centre, 10 Monk Street, Whitianga;

Once lodged, nomination papers are checked to ensure the candidate’s name appears on the Parliamentary Roll and the nominators are two electors whose names appear on the electoral roll for the district or subdivision of the district (e.g. ward).

Each nomination paper lodged requires a deposit of $200 (inclusive of GST). This is refunded if the candidate polls greater than 25% of the lowest successful candidate (for FPP elections).

Should a cheque payment be made, cheques should be payable to: Independent Election Services Ltd.

The lodgement of nomination papers should not be left to the last minute. Should a nomination paper be lodged late on the morning nominations close, and be incorrectly completed or ineligible nominators are provided, there may be insufficient time to correct the situation and the nomination paper could be invalidated.

**Please do not leave lodging your nomination to the last minute.**

Nominations can be returned by mail, but should these be received by the electoral officer or electoral official after the close of nominations, the nomination is invalid.

---

**Cancellation of nomination**

A candidate is able to withdraw their nomination up until the close of nominations (noon, Friday 16 August 2019). After the close of nominations, a candidate is not able to withdraw their nomination. [Section 69, Local Electoral Act 2001].

However, should a candidate become incapacitated after the close of nominations but before the close of voting, application may be made for the cancellation of the nomination of a candidate.

‘Incapacitated’ means that a candidate, because they are suffering from a serious illness or has sustained a serious injury, would be unlikely to be capable of performing the functions and duties of office if elected to office. [Section 69(7) Local Electoral Act 2001].

An application for the cancellation of the nomination of a candidate must be made to the electoral officer by submitting a prescribed form (available from the electoral office) together with a medical certificate.
Key message

Election campaigning can commence anytime and may continue up to and including election day. However there are certain constraints candidates need to be aware of.

Election signs are permitted on private property (with the land owner’s consent).

Election signs are not permitted on council property including the road-side.

Signs must comply with the council’s ‘Advertising and Signs Bylaw 2017’. Further detail is provided on page 36 of this handbook.

Campaigning

Election material cannot contain:

- any untrue statement defamatory of any candidate (e.g. under the Defamation Act 1992);

- an imitation voting document which has the names of the candidates with any direction or indication as to the candidate a person should vote for, or in any way contains such direction or indication likely to influence the voter.

Voting documents should not be collected from electors by candidates or their assistants. Each elector should post or deliver their own voting document to the electoral officer. This also applies to rest homes and hospitals - voting documents should not be collected from elderly or infirm electors by candidates or their assistants.

Use of council resources

Candidates are not permitted to use council resources for campaigning purposes. Council resources include, but are not limited to, the council’s logo, crest or branding, website, Facebook page, Twitter account, any other forms of social media, tablets, computers, ipads, email, mobile phones, faxes, stationery, photocopiers, printers, stamps, cars, meeting rooms and venues (except those available for public hire). This applies to either sitting members, council staff or other candidates in any context that could reasonably be construed as campaigning for elections.

Social media

Social media can be a useful tool for candidates for campaigning purposes and electioneering. Candidates should however be aware of any council social media guidelines for candidates and should comply with these at all times.

Council’s social media channels are council resources and must remain politically neutral at all times. Council will promote elections and the importance of voting but will not associate these posts with any candidates.

Council social media accounts will not follow any candidates. This may result in your account being unfollowed.

Council’s social media accounts are not permitted to be used as a communications channel by anyone (candidates or members of the public) for promotion, electioneering or campaigning. This also applies to all social media accounts owned by council-controlled organisations.

Candidates should not post on council’s social media channels, nor should they comment on, share or otherwise use council social media channels for electioneering. You may not rate, review, check-in or tag the council’s social media channels in your own posts or comments.

Council’s social media accounts are constantly monitored, and any campaign related or electioneering content, (including posts related to nominations and candidacy), will be removed immediately.

Candidates should be aware that election advertising, using any media, including on social media, must identify the true name of the person under whose authority they have been produced and the physical address (not a PO Box) of the person under whose authority they have been produced [Section 113, Local Electoral Act 2001]. This may be details of the candidate or their agent, and may be included on a profile picture, or within the bio section of a page.

For example: ‘All content/images contained on this social media page/advertisement are authorised by [name], [physical address].’

**Offences**

Candidates should be aware that it is an offence (carrying a fine of up to $5,000, if convicted) to interfere in any way with an elector with the intention of influencing or advising that elector as to how they should vote. Candidates and their assistants should be mindful of this particularly if campaigning occurs in rest homes or hospitals.

Election offences are detailed for your information on page 48 of this handbook. Please refer to them for your own protection.

**Election advertising**

Election advertising, using any media, must show an authorisation statement. This statement must include:

- the true name of the person under whose authority they have been produced; and

- the physical address (not a PO Box) of the person whose authority they have been produced. [Section 113, Local Electoral Act].

This includes election advertising on signs, in newspapers, on flyers and posters, on a vehicle and on election websites.
Relevant criteria as contained in the Local Electoral Act 2001 are:

113 Advertisements for candidates

(1) No person may publish or cause to be published in any newspaper, periodical, notice, poster, pamphlet, handbill, billboard, or card, or broadcast or permit to be broadcast over any radio or television station, any advertisement that is used or appears to be used to promote or procure the election of a candidate at an election, unless subsection (2) or subsection (4) applies.

(2) A person may publish or cause or permit to be published an advertisement of the kind described in subsection (1) if -

a. the publication of that advertisement is authorised in writing by the candidate or the candidate's agent or, in the case of an advertisement relating to more than 1 candidate, the candidates or an agent acting for all of those candidates; and

b. the advertisement contains a statement setting out the true name of the person or persons for whom or at whose direction it is published and the address of their place of residence or business.

(3) A candidate is not responsible for an act committed by an agent without the consent or connivance of the candidate.

(4) A person may publish or cause to be published an advertisement of the kind described in subsection (1) if -

a. the publication of the advertisement is endorsed by an organisation or body representing residents or ratepayers in the community or district in which the advertisement is published; and

(5) This section does not restrict the publication of any news or comments relating to an election in a newspaper or other periodical, or on the Internet, or in any other medium of electronic communication accessible by the public, or in a radio or television broadcast made by a broadcaster within the meaning of section 2 of the Broadcasting Act 1989.

(6) A person who willfully contravenes subsection (1) commits an offence and is liable on conviction to a fine not exceeding $1,000.
Electoral donations and expenses

Key message

Candidates need to be aware to keep a record of all donations received and expenses incurred in their election campaign. Election expenditure limits will apply, these depend on the population size of the area of the election the candidate is standing for.

Every candidate must, by law, complete an Electoral donations and Expenses Return declaring all donations and expenses and forwarded to the electoral office by Friday 13 December 2019.

Electoral expenses

Candidates should be aware that there are legal limits on candidate campaign expenditure. This means a limit has been placed on how much a candidate may spend on their campaign, and this includes donations and joint campaigning. The maximum amount spent must not exceed the limits set out below where the election covers a population range as detailed:

<table>

</tbody>
</table>

* Plus 50 cents for each elector

[NOTE: Expenditure limits are inclusive of GST].

Electoral expenses are defined as relating to electoral activity which can comprise advertising, broadcasting or communicating material to the public (electronically or otherwise).

These electoral expenses are generally funded by the candidate or donor/s.

These expenses are not reimbursable from the organisation the candidate is standing for.

If a candidate is standing for more than one position (e.g. mayor and council) then the higher limit applies (not both combined).

source: Statistics New Zealand as at 30 June 2018

The expenditure limit for the mayor is $20,000 (including GST), based on a 29,700 population (as at 30 June 2018).

The period for which campaign expenditure limits apply is three months before election day (i.e. 12 July 2019 to 12 October 2019). However legislation further specifies that all expenses incurred before the three month period for campaign expenditure and used during the three month period, must be fairly apportioned and included in the Return of Electoral Donations and Expenses.
Where an electoral expense relates to more than one candidate, an equitable apportionment between candidates is required.

Nomination deposits, voluntary labour and election sign framework (that supports a hoarding on which an advertisement is displayed) are not electoral expenses and therefore should not be included in the Return of Electoral Donations and Expenses.

Electoral donations

a. Candidate donations

A candidate donation is a donation of money, goods or services that is made for use in the candidate’s campaign.

Candidate donations, and contributions to donations, of more than $1,500 (inc GST) are required to be declared in the candidate return of donations and expenses. A series of donations made by one person that adds up to more than $1,500 must also be declared.

A candidate donation includes:

- where a candidate is provided with goods or services free of charge that have a reasonable market value greater than $300;
- where a candidate is provided with discounted goods or services and the reasonable market value of the goods or services is greater than $300, the difference between the contract or agreed price and the reasonable market value of those goods and services is a donation;
- where a candidate sells over-valued goods or services the difference between the price paid and the reasonable market value is a donation, for example a fundraising auction or dinner.

The following are not deemed a donation:

- volunteer labour;
- goods or services provided free of charge to a candidate, or to any person on the candidate’s behalf that have a reasonable market value of $300 or less; or
- money provided by the candidate for their own campaign.

If a person or organisation gives or pays for goods or services that would otherwise be candidate election expenses, the reasonable market value of those items, whatever their value, should be recorded as an election expense. If the reasonable market value of the items exceeds $300 it should also be recorded as a donation.

b. Donations made up of contributions

Donations to candidates can be made up of pooled funds contributed by more than one person (referred to as donations funded from contributions). These types of donations include, for example, campaign donations made through a trust, or where there is a fundraising collection for a candidate’s campaign.

The total proceeds of a collection are treated as a donation. The person who collects the money will normally be the donor. The individuals who contribute to the collection are contributors.

If a candidate donation, other than an anonymous donation, is made up of contributions, the transmitter or donor must tell the candidate:

- the name and address of the donor;
- whether the donation is made up of contributions;
- the total amount of individual contributions of $1,500 or less; and
in the case of individual contributions greater than $1,500, the name, address, and contribution of each contributor.

If the candidate knows, or has reasonable grounds to believe, that the donor has failed to supply information about contributions, the whole donation must be returned to the donor.

c. Transmitted donations

A donation can be made either directly by the donor to the candidate or indirectly by a transmitter who transmits a donation to the candidate on someone else's behalf, for example via a lawyer's trust fund. Any person who receives a candidate donation on the candidate's behalf must transmit it to the candidate within 10 working days.

When transmitting a donation, the transmitter must tell the candidate:

• that the donation is being transmitted on behalf of a donor;
• the name and address of the donor;
• whether the donation is made up of contributions;
• the total amount of contributions of $1,500 or less; and
• in the case of contributions greater than $1,500, the name, address, and contribution of each contributor.

Where a transmitter does not disclose the name and address of the donor, the donation must be treated as an anonymous donation.

d. Anonymous donations

Candidates are not permitted to retain anonymous donations exceeding $1,500. An anonymous donation is a donation made in such a way that the candidate who receives the donation does not know the identity of the donor and could not, in the circumstances, reasonably be expected to know the identity of the donor.

If a candidate receives an anonymous donation greater than $1,500, they may retain $1,500 of that donation. The balance of the donation must, within 20 working days of receipt, be paid to the electoral officer for payment into the general fund of the local authority.

Return of Electoral Donations and Expenses

A Return of Electoral Donations and Expenses form (a copy of this is located at the rear of this handbook) is required to be supplied to the electoral officer within 55 days after the official declaration (by 13 December 2019). This can be supplied to the electoral officer within 76 days after the official declaration if a candidate is overseas when successful candidates are declared elected.

The Return of Electoral Donations and Expenses must set out —

• the details of every electoral donation received by the candidate that, either on its own or when aggregated with all other donations made by or on behalf of the same donor for use in the same campaign, exceeds $1,500 in sum or value; and
• the details in respect of every anonymous electoral donation received by the candidate that exceeds $1,500; and
• details of the candidate's electoral expenses.

The details of every electoral donation are -

• the name of the donor; and
• the address of the donor; and
• the amount of the donation or in the case of aggregated donations, the total amount of the donations; and

• the date the donation was received or, in the case of aggregated donations, the date that each donation was received.

The details of every anonymous donation exceeding $1,500 are —

• the date the donation was received; and

• the amount of the donation; and

• the amount paid to the electoral officer and the date the payment was made.

With respect to electoral expenses, the return must set out separately the name and description of every person or body of persons to whom or which any sum was paid, and the reason for which it was paid. Sums paid in excess of $200 (GST inclusive) must be vouched by an invoice or a bill and a receipt.

Candidates are advised to retain all invoices and receipts relating to electoral expenses should these be required in the event of a challenge. They should not be submitted with the return.

Once the Return of Electoral Donations and Expenses forms have been received by the electoral officer they become public documents and are to be kept for a public inspection period of seven years. During this period, the returns:

• are placed on council’s website;

• can be inspected by any person;

• copies can be made available if requested.

This is a requirement under section 112F of the Local Electoral Act 2001.

Key message

Council has a policy around election signs and a council bylaw on advertising and signs. Candidates should familiarise themselves with both.

Council policy

Candidates may erect electoral signs in the Thames-Coromandel District Council area provided that they meet the following requirements:

- they are not erected on council property, this includes road reserve (the road-side). If erected on state highway road reserve, that permission has been granted from the New Zealand Transport Agency (NZTA). Guidelines on signs erected along the state highway can be found at www.nzta.govt.nz/resources/advertising-sign-alongside-sh/

- if erected on private property, that permission has been granted by the landowner;

- all signs must comply with the council’s “Advertising and Signs Bylaw 2017”. The full bylaw can be accessed from the council’s website at the following link: www.tcdc.govt.nz/bylaws The bylaw contains rules on the size of signs (which vary according to the type of location), the number of signs allowed per property, and in some cases the size of the lettering (text) on the sign.
Electoral roll

Key message

The preliminary electoral roll, containing both resident and non-resident ratepayer electors, will be available for public inspection from 19 July 2019 to 16 August 2019. All registered electors (as at 16 August 2019) whose name is on the final election roll will be issued voting packs.

Non-resident ratepayer electors

Residents who pay rates on a property in another local authority area or community board area may be entitled to enrol on the ratepayer electoral roll for that local authority area or community board area.

Companies, businesses, trusts, corporations or societies which are ratepayers of a property in a local authority district or community board area may also nominate an elector to vote on their behalf, provided any such elector resides outside the district or community board area where the property is situated.

Any alterations to the residential electoral roll should be made:

- by completing the appropriate form at any NZ Post agency; or
- by telephoning 0800 ENROLNOW (0800 36 76 56); or
- by accessing the Electoral Commission website - www.elections.org.nz

Any alterations to the non-resident ratepayer electoral roll should be made through the electoral office (telephone 0800 922 822).

Copies of the hardcopy preliminary electoral roll may be purchased from the electoral office for $75.00 (inc GST).

**Final electoral roll**

The final electoral roll is produced once the preliminary electoral roll closes on 16 August 2019. The final electoral roll contains the details used for issuing voting documents. Copies of this roll will also be available for purchase.

**Roll data requests**

Information contained on the electoral roll is not available from the electoral office in an electronic form, but candidates or political parties may request an electronic listing of resident electors from the Electoral Commission (provided the criteria of section 114 of the Electoral Act 1993 are met). An application form is required to be completed, and these are available upon request from the Electoral Commission.

Note however that elector details for the area a candidate is standing for only will be provided, and this data is unable to be passed on to any third-party and must be used for election purposes.

With regard to a listing of non-resident ratepayer electors, a candidate may purchase mailing labels and/or postal address lists from the electoral office.

Candidates or candidate scrutineers may request, **before the close of voting**, a listing of names of persons from whom voting documents have been returned. Such a request can be supplied in either hardcopy or electronic copy, and a reasonable charge will be made for this. [Section 68 (6) Local Electoral Act 2001].
The three-week voting period is Friday 20 September to noon Saturday 12 October 2019. Voting packs are posted to electors from Friday 20 September 2019. Special votes are available to those who have not received an ordinary vote during the voting period.

Postal voting

The election is being conducted by postal vote. Voting documents are posted to all electors whose names appear on the final electoral roll with delivery commencing Friday 20 September 2019. All electors should have received their voting documents by Wednesday 25 September 2019.

Each elector, after receiving their voting document, should complete it, seal it in the return, postage paid envelope, and post or deliver it to the electoral officer.

If hand delivered, completed voting documents can be lodged at:

- Council’s Main Office, 515 Mackay Street, Thames;
- Coromandel Council Office, 355 Kapanga Road, Coromandel;
- Mercury Bay Council Office, 10 Monk Street, Whitianga;
- Whangamata Council Office, 620 Port Road, Whangamata.

When posting voting documents back, it is recommended these be posted by 5pm, Tuesday 8 October 2019 to guarantee delivery before the close of voting (noon, Saturday 12 October 2019).

There is currently no online voting option for these elections.

Special votes

Special votes are available to electors:

1. whose names do not appear on the final electoral roll, but who qualify as electors;
2. who do not receive a voting document previously posted to them;
3. who spoil or damage a voting document previously posted to them.

Special votes are available from Friday 20 September 2019 to noon, Saturday 12 October 2019 from:

- Council’s Main Office, 515 Mackay Street, Thames;
- Coromandel Council Office, 355 Kapanga Road, Coromandel;
- Mercury Bay Council Office, 10 Monk Street, Whitianga;
- Whangamata Council Office, 620 Port Road, Whangamata;
- by telephoning the electoral office on 0800 922 822.

Special votes can be posted directly to electors. The completed voting document however, must be returned to the electoral officer by noon on election day.

Special votes require the completion of a statutory declaration. This is a legal requirement and a protection for electors against possible duplicate voting.
If an elector requests a special vote and is not on the Parliamentary electoral roll (e.g. just turned 18 years of age), the person must enrol by Friday 11 October 2019 (the day before the close of voting). An application for registration as a Parliamentary elector may be obtained:

- from any NZ Post agency; or
- telephoning 0800 ENROLNOW (0800 36 76 56); or
- by accessing the Electoral Commission website - www.elections.org.nz

After voting closes, special vote declarations are forwarded to Registrars of Electors for verification that the elector is eligible and has enrolled as a Parliamentary elector.

Special votes cannot be collected by candidates or their assistants for distribution to electors.

**Election day**

On election day, ordinary votes can be returned, and special votes issued and returned, from 9 am to noon at:

- Council’s Main Office, 515 Mackay Street, Thames;
- Coromandel Council Office, 355 Kapanga Road, Coromandel;
- Mercury Bay Council Office, 10 Monk Street, Whitianga;
- Whangamata Council Office, 620 Port Road, Whangamata.
Early processing of returned voting documents

Key message

During the voting period, returned voting documents are able to be opened and processed, but not counted.

Processing of votes

Returned voting documents are able to be opened and processed during all or part of the voting period prior to the close of voting.

The early processing of voting documents involves the following functions:

• roll scrutiny (marking people off the roll);
• opening of envelopes;
• extracting of voting documents;
• checking for informal or duplicate votes;
• electronic capture of all valid votes (twice).

No tallying of votes is undertaken until after the close of voting (noon, Saturday 12 October 2019).

The early processing functions are undertaken with strict security measures. One or more Justices of the Peace observe all early processing functions, and sign a statement at the end of the processing that all functions were undertaken correctly and conformed with the strict legal requirements.

Candidate scrutineers are not permitted to observe the early processing functions.
**Scrutineers**

**Key message**

Candidates are able to appoint scrutineers to observe certain functions. Appointment of scrutineers must be made by noon, Friday 11 October 2019.

**Appointment of scrutineers**

Candidates may appoint scrutineers to oversee various functions of the election.

These functions are:

- the scrutiny of the roll;
- the preliminary count (after the close of voting);
- the official count.

Each candidate may appoint one or more scrutineers for each of the above functions, but only one scrutineer for each candidate may be present at any one time.

A scrutineer cannot be:

- a candidate;
- a member or employee of any local authority or community board for which an election is being conducted;
- under 18 years old.

Each scrutineer must be appointed by a candidate, such appointment to be in writing to the electoral officer. For a person to be appointed as a scrutineer, the letter of appointment must be received by the electoral officer no later than noon Friday 11 October 2019 [Section 68, Local Electoral Act 2001].

A standard letter for the appointment of a scrutineer is located at the end of this handbook.

Each appointed scrutineer must report initially to the electoral officer or deputy electoral officer, where a declaration pledging not to disclose any information coming to their knowledge, will need to be signed and a name tag issued. When departing the premises, scrutineers are to return their name tag to the electoral officer or deputy electoral officer.

Any scrutineer may leave or re-enter the place where election functions are being conducted, but it is an offence (and liable for a fine) to:

- make known for what candidate any voter has voted;
- make known the state of the election, or give, or pretend to give any information by which the state of the election may be known, before the close of voting.

The scrutiny of the roll only will be undertaken at the electoral office (Level 2, 198 Federal Street, Auckland), during normal office hours between Monday 23 September 2019 and to noon, Saturday 12 October 2019.

The preliminary count of votes will commence once voting closes at noon on Saturday 12 October 2019 at the electoral office.

The official count of votes will be undertaken once the preliminary count is concluded and the final result will be known on Thursday 17 October 2019. The official count will also occur at the electoral office.

The role of scrutineers is to ensure that election procedures are undertaken correctly and that the count of votes is done fairly and reasonably.

Mobile phones are prohibited within the secure area where the count will take place.

**Key message**

Community boards act as advocates for their communities and are an important link to council.

**Legislation**

Each community board must consist of between 4 and 12 members; and is to include at least 4 elected members; and may include, as appointed members, up to half the total number of members [Section 19F, Local Electoral Act 2001].

Appointed members to a community board can only be appointed by the council from the elected councillors representing the ward in which the community is situated. [Section 19F, Local Electoral Act 2001].

A person elected as a councillor and a community board member within the same ward/community district, is deemed to be elected as a councillor and a community board member but is then deemed to have vacated the office as a community board member, and the next highest polling community board candidate is elected. (If there is no highest polling unsuccessful candidate, in this instance, an extraordinary vacancy occurs and a by-election is required) [Sections 88A, 88B, Local Electoral Act 2001].

If a person is elected as a councillor and a community board member (the community being in a different ward to the ward containing the community) then that person is considered an elected member to both.

In the Thames-Coromandel District Council, four members are elected to each of the five community boards.

Health and safety responsibilities

Key message

All elected members of the Thames-Coromandel District Council are required to comply with the duties and obligations of the Health and Safety at Work Act 2015.

Health and Safety at Work Act 2015

Under the legislation an officer is someone who holds a position which allows them to exercise significant influence over the whole of council. At Thames-Coromandel District Council, elected members and the chief executive (and possibly others) are ‘Officers’. The boards of council-controlled organisations and their chief executives are also officers.

As a PCBU (persons conducting a business or undertaking), council holds the primary duty to ensure people’s safety. An officer’s responsibility is to exercise due diligence to ensure that council complies with its duties and obligations under the Health and Safety at Work Act – similar to the responsibility councillors and local boards have to exercise due diligence over council’s financial matters.

An officer’s duty is important because leadership contributes to council’s safety culture, and elected members need to have an understanding of what is required to manage council’s risks.

Officers can rely on information provided to them by staff and experts so long as that reliance is reasonable. However, elected members and the chief executive must test and assess the advice provided to them to ensure they are confident their decisions have sufficiently considered health and safety factors. Officers must demonstrate that they have carefully considered health and safety.

There are six key aspects of officer due diligence. The legislation requires officers take reasonable steps to:

1. Acquire and keep up to date with health and safety knowledge and health and safety matters for council.
2. Understand council’s operations and the associated hazards and risks.
3. Ensure council has appropriate resourcing and processes to eliminate or minimise risks to health and safety.
4. Ensure council has appropriate processes for receiving and considering information regarding incidents, hazards, and risks and for responding in a timely way to that information.
5. Ensure council has, and implements, processes for complying with any duty or obligation.
6. Verify the provision and use of resources and processes through reviews and audits.

Liability

Whilst officers do not have the same primary duty as the PCBU to directly ensure health and safety they must exercise due diligence to ensure that the PCBU is meeting its duties.

Elected members acting in their capacity as elected members (as distinguished from elected members acting in a governance role for another entity) are excluded from liability for the most serious offences under the new Act. However they may still be liable under some of the other requirements in the legislation – for example in some circumstances WorkSafe NZ could still serve an improvement notice on them.
