NEW SCHEDULE FROM 1 SEPTEMBER 2023

On 1 September 2023 our kerbside rubbish and recycling collection schedules are changing as part of a new solid waste services contract.

Your property will be issued with a 140 litre wheelie bin for your rubbish (instead of prepaid blue bags) and a 25 litre food scraps bin (new service).

This is in addition to the existing recycling wheelie bin and glass crate service.

The collection services will also operate across a five-day working week, so some areas will have a new day for their kerbside collections. The new collection schedule will be published on our website [tcdc.govt.nz/kerbside](https://www.tcdc.govt.nz/kerbside) by August 2023.

For more information please refer to the FAQs on our website [tcdc.govt.nz/solid-waste-FAQs](https://www.tcdc.govt.nz/solid-waste-FAQs)
