Approval is given for the aforementioned to operate a radio controlled vehicle or aircraft over the named Council park or reserve land with the following conditions being met:

1. Permission is obtained from any other affected landowner if the vehicle or aircraft will also enter or cross over other people's private property.

2. Permission is obtained to film a person or persons.

3. The operator of the radio controlled vehicle or aircraft operates in a manner that does not contravene the Council's Public Places Bylaw

   a)   In any street or public place where operation makes or causes to be made noise or activity which is likely to cause annoyance or nuisance to persons in the street or public place or resident in the vicinity thereof;

   or b)   In or upon any land or buildings where such operation makes or causes to be made, noise or activity which is likely to cause annoyance or nuisance to persons in any street or public place or resident in the vicinity of that land or those buildings.

4. Civil Aviation Authority rules state you cannot fly a remote-controlled aerial vehicle higher than a tall tree or a building within a 4km radius of an airfield. All townships in the District are within 4km of an airfield.

This approval expires within one (1) month of date of this notice unless revoked earlier by TCDC.

*Your application may also need a Reserve Concession Form or Traffic Management Plan. Give our customer service team a call to check this out 07 868 0200.
