

# New Zealand runs on fibre and soon you can too.

Your invitation to learn more.

**NZ RUNS ● ON FIBRE**  
CH ● RUS

## **We're bringing our fibre network to your neighbourhood, which means fibre broadband will soon be available.**

Come along to our upcoming information session to get an overview of the work we'll be doing and find out more about how you can get connected to fibre.

Even if you're on a fixed term satellite or wireless broadband contract you can still get fibre installed and then switch to a fibre internet and/or phone plan when the term finishes.

### **Not able to attend?**

You can still register your interest in getting fibre installed at your address at [www.chorus.co.nz/fibre-extension](http://www.chorus.co.nz/fibre-extension) or call us on **0800 693 427** (option 2).

### **Location:**

Lakes Resort Golf  
& Country Club,  
100 Augusta Drive,  
Pauanui 3671

### **When:**

Wednesday 20 March

### **Time:**

3pm-6pm

Refreshments provided.
